5. OTHER INFORMATION

- 5.1 Intent: It is the intent of this catalog to establish a method whereby the buying entity may initially purchase a Brand Name Cartridge.

Upon completion of use of the original Brand Name product, the buying entity will have the option of turning in the empty cartridge to the original vendor and buying another brand name cartridge, or the buying entity could turn in the empty cartridge to the vendor awarded the Remanufactured Cartridge and purchase a remanufactured cartridge.

A remanufactured cartridge may be returned in exchange for a recharged cartridge. The recharged cartridge may then be returned for additional recharging up to four more times.

- 5.2 Recycling of Empty Cartridges: It is the intent of the State that NO empty cartridges end up in a landfill. Therefore, all cartridges should be returned according to the following procedure:

Brand Name Cartridges (Type I) may be shipped back to the manufacturer or vendor. The awarded vendor is required to either supply an authorized return label with the original cartridge or a toll free number which can be called to obtain an authorized return label. Follow the directions received from the vendor for returning these cartridges.

ALL COSTS ASSOCIATED WITH THE RETURN OF EMPTY CARTRIDGES WILL BE THE RESPONSIBILITY OF THE AWARDED VENDOR.

- 5.3 Warranty: All cartridges purchased under the terms of this bid shall perform without streaks, smudges, faded print, or any other problems which would detract from the quality of the printed product. Any cartridge failing to meet this performance requirement will be replaced by the vendor at no cost to the using agency. The vendor must prove the cartridge to be not at fault to subdue any claims under this section. Agencies encountering problems with any cartridge purchased under the terms on these contracts should first contact the vendor to solve the problems. If problems persist or a satisfactory answer is not received, the agency should submit documentation to the Office of Purchasing and Travel.
- 5.4 Cartridge Not Listed: If the cartridge required by an agency is not listed in this catalog, then the agency should follow statutory purchasing procedures to obtain the required items.
